Hey Sarah,

I know you're out today. Hope you feel better. I need some clarification. Please see the angry email that we just received from a Woodland Hills constituent. There is a big encampment at 19973 Ventura Blvd. That's what he's referring too. Have you guys changed policy about bulky items? Thanks.

*Dear Councilmember Blumenfield,*

*Why are you allowing garbage and trash to pile up on Ventura Blvd??? Your sanitation workers told me that they are not going to collect large items anymore! I demand to know why you are allowing homeless encampments to grow and develop? I was told by sanitation that they can't collect bulky items. How are you going to clean the streets if you can't throw away the trash!???*

Best regards,

Keith Banks
